Call Andrew to register. Space is limited. **613.393.1572**  
Discover your talents by creating with Beeswax, mixed media,  
found objects and your imagination.

Two days of intensive fun and creativity! Everyone is an artist. You don't need to know how to draw or paint. Beginners and artists creating together in a casual atmosphere.

### What is covered in this hands-on workshop:

- Learn a variety of techniques for encaustic painting
- Demonstration & experimentation on various surfaces. Numerous examples will be shown.
- Learn how to make encaustic medium
- Melting, layering, painting, mixing colors
- Creating smooth or textured surfaces
- Collaging with various materials
- Line and edge • Composition
- Incorporate mixed media and found objects
- Safety tips • Setting up your own encaustic studio
- Spontaneous creativity!
- Small class allows for One-on-One teaching
- Workshop materials supplied. Additional materials also available.

**Texture!** One of the intrinsic qualities of the encaustic medium is sparking exciting and fun developments during the workshop. The encaustic medium dries instantly, so you will take your works of art home, ready to hang. Workshops start in my Barn/Studio just outside of Bloomfield. We will then move to the Studio at Angéline's.

**Workshop Fee:** \$275.00 + ( tax 8% pst. \$22.00 ) = \$ 297.00

(VISA, MC, Cheque, Cash, Debit)
